

What is a **LUTHERAN?**

**Short, thin, fat, serious or funny, relaxed or uptight with
tatts and without, all types of people are Lutherans.
We aren't big on conformity but unity in diversity!**

A Lutheran believes she/he has been rescued by God's grace through Jesus' death and resurrection. We are saved by grace through faith alone – not by good works and sacraments. It isn't about how good WE ARE but how GOOD God is!

The Lutheran Church is the oldest Protestant tradition.
Just don't think we are in the dark ages anymore.

Women, Men and those in a committed relationships can be a pastor in this church. We engage in conversations and pray with people of other religions so we can learn about each other and work together for the care of all creation.

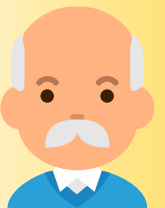

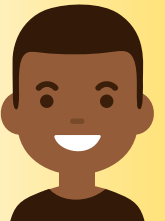

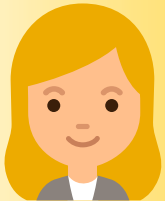

Everyone in the church serves God with their own skill set – no one is better than another. We all have gifts that we can use to share God's love and help one another.

Lutherans play well with others!

We are active with the Episcopal Church, Methodists, Catholics, Presbyterian, United Church of Christ and many others on Grand Island. We gather to worship, pray and work to help others in our community not because we agree on everything but because we follow Jesus.

*"If it is possible, so far as it depends
on you, live peaceably with all." – Romans 12:18*

Don't confuse us with the LCMS or Wisconsin Synod – we are like night and day!
